## Payment & Ticketing Information

All Haulers:

We at Bobcat Trucking have the following percentages we use when we process the tickets and calculate the amount we owe each driver.

<b>NORMAL PAY</b> <i>(with a \$1,000,000 Insurance policy)</i>	<b>QUICK PAY</b> <i>(with a \$1,000,000 Insurance policy)</i>	<b>DAILY PAY</b> <i>(with a \$1,000,000 Insurance policy)</i>
<b>8% of Gross Total</b>	<b>10% of Gross Total</b>	<b>12% of Gross Total</b>

- **Fuel Key is 1% PLUS above percentages of Gross Total PLUS gallons used.**
- If you choose not to provide up-to-date documents that are required for Bobcat Trucking to keep on file for compliance, we will hold your check until we receive this information or will not dispatch your trucks.
- **ALL** tickets are **REQUIRED** to be turned in weekly. These companies have a time frame for us submitting the tickets or we **DO NOT** get paid. If you turn in a ticket after 14 days of receiving it you will **NOT** get paid for that job. The tickets/invoices need to be dropped by Tuesday by 9 AM to be paid Friday for the prior weeks worked. If tickets are dropped off on Friday, we will assume QuickPay.
  - Please note if it is **\*NOT QUICKPAY\***
  - QuickPay tickets **NEED** to be dropped off before 12 (Noon) on Fridays.
- If we have trailers available to rent, we charge weekly. There is a separate policy that covers Trailer Rentals. Please ask the office for information. You are not allowed to trade trailers without speaking to the office staff first. If you do make any such changes, you will be responsible for any and all repairs/maintenance.

Thank you for your understanding and your continued work at Bobcat Trucking!
